

### **Purpose of Veritas Academy**

The purpose of Veritas Academy is to assist parents in providing for their children an education that is Christian, classical, and covenantal.

### **Mission of Veritas Academy**

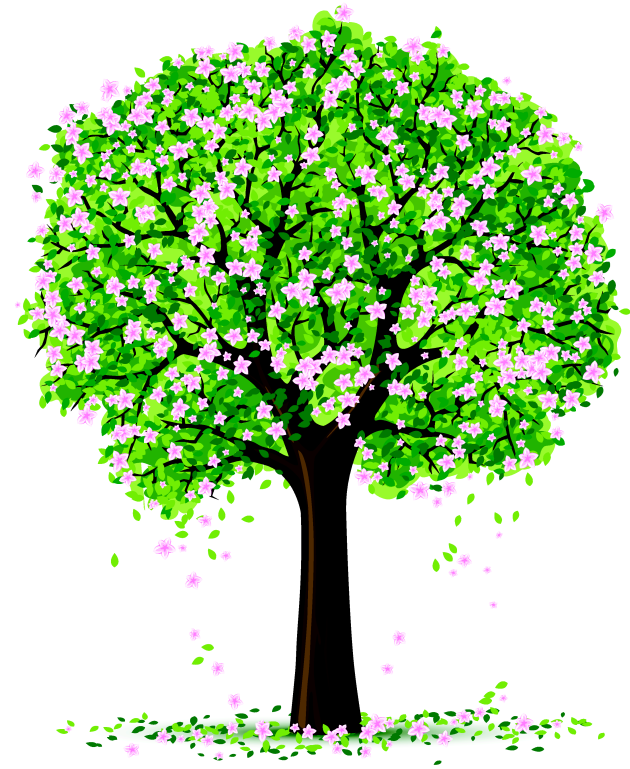

The mission of Veritas Academy is to assist parents in teaching their children to think, speak, and act Christianly, and to seek, discern, and apply Truth all their lives by providing an education of excellence that is Christ-centered, classical, and covenantal.

### **Vision of Veritas Academy**

To be Savannah's foremost Center for Classical Christian Learning by providing an education of excellence that is Christ-centered, classical, and covenantal. We seek to graduate young men and women who are scholars who love to learn, readers who love books, leaders who love the family, citizens who love their nation, members of the Body of Christ who love the church, and missionaries who love the lost: who are equipped to extend God's kingdom by spreading the gospel, transforming culture, and pursuing Truth, beauty, and righteousness all their days.

*“The direction in which education starts a man will determine his future in life.”*

## What is the annual fund?

Each year Veritas Academy engages in an Annual Fund to help off-set the costs of tuition for families and overall operations for the school. This year our theme is Growing Together as we anticipate the unveiling of our school's first ever Strategic Plan. This plan will clearly communicate the long-term Vision for Veritas as well as provide the road-map of how we will best reach the Vision as a community. Part of fulfilling a Vision, of course, is making a commitment to do whatever it takes in order to fulfill that Vision. Though we are still young, Veritas is thriving under God's grace as He has brought together families who exhibit energy and the will to act on behalf of the school. Our Annual Fund is one of the primary means by which we continue the pursuit of Growing Together through providing an education that teaches Christ as the center of all truth and knowledge, and excellence in all things as a noble and beautiful goal.

## How do we use the annual fund?

Last year the Veritas Academy Annual Fund was critical in providing significant funding that made a robust, classical Christian education possible for our students and families. As our school continues to grow, our need for richer, more developed programs that enhance the daily educational experience for our students grows as well. Thus, we are extremely thankful for and dependent upon each year's Annual Fund to provide for this growth. Below is a list of just a few ways in which the Annual Fund is used to further the mission of our school:

- ❖ Growing and Developing our Athletics Program
- ❖ Growing and Enhancing our Classrooms
- ❖ Growing and Developing our Faculty

## Why should I get involved?

Great things are truly happening at Veritas. Evidence of God's hand in growing us together over the

past few years at Veritas Academy include the development of our Parent/Teacher Fellowship under the leadership of Deb Blackburn. This group of moms has been responsible for everything from Spirit Week activities to classroom parties and field trips. In addition, we have seen an Advisory Board of community leaders gather in support of the Veritas mission, working with Veritas Administration to further the potential impact of the school in the greater Savannah community. Lastly, we have seen the growth of reach and support extend to other downtown churches such as St. John's Episcopal who, just last year, joyfully agreed to house our Rhetoric School in their recently renovated Cranmer Hall. All of these things are encouraging reminders that God is at work growing us together as a Veritas community. With your support we can continue furthering our collective influence in Savannah and beyond.
