5th Grade History/Literature Reading List Ordering Information 2011-2012

The books in the several lists on the preceding page follow the 5th grade curriculum sequence and Read-Aloud Schedule. Parents may, however, choose to deviate from the read-aloud sequence. Neither do students have to complete the readers in the order given. However, with the history and literature readers, students are required to follow the timetable assigned by the teacher. It is important, therefore, for students to have 'in hand' the history and literature books when it is time to read them.

Veritas has varying numbers of each book available for borrowing (one to two books at a time). Check with the teacher for availability once the term begins. It is the responsibility of parents to obtain the books, from Veritas if available, or from local bookstores, public libraries or Internet sites. If you need to prioritize your spending, you should purchase history and literature readers before read-alouds and readers. Here are some sources for ordering books. The book codes are given for those who wish to order through Sonlight Curriculum.

- 2) www.amazon.com.
- 3) Barnes and Noble Online: www.bn.com
