

Veritas Rhetoric School

11th/12th Grade Reading List

2011-2012

Teachers: Chip Welch (cwelch@veritassavannah.org, 912.596.9186), Brent Beaumont (brentbeaumont@gmail.com, 912.713.3310), and Dena Holt (holtxdena@yahoo.com, 912.232.4209)

It is important that exact versions of all texts are ordered; this means obtaining books which have the same ISBN's as the ones given below. Students will interact with these texts in class so they should all be reading from the same translation, same notes and same page numbers. Listed below are some sources for ordering books. The books have been listed in the order in which they will be studied.

- 1) www.amazon.com (for new and used)
- 2) Barnes & Noble, www.barnesandnoble.com
- 3) www.abebooks.com (website for used books)
- 4) www.betterworldbooks.com

Veritas will have a couple of each book available for borrowing (one to two books at a time.) If you are interested in this, please check with the teacher on availability. You can, of course, also obtain the books from local bookstores, the public library or other Internet sites. Buying used copies is a great way to save some money. The important thing is to have the books available when it's time to read them.
